PRESENTATION

An intense interactive four-day programme will include lectures, study visits, cultural tours, and lively discussions led by experts in the field to create a once in a lifetime experience to learn about arts and culture in the Gulf countries.

This educational study tour aims to foster international exchanges of ideas, projects, and best practice among participants coming from different world regions. An unique and intensive experience will be provided through discovery with special focus on aspects of the UAE development, highlighted by the Louvre Abu Dhabi project*. Thanks to the study tour’s partnership with ENCATC member, the Louvre Museum, this study tour is presenting a rare opportunity to discover and debate the question of culture in the Gulf Countries, and particularly the role of museums in the frame of the contemporary cultural and social cosmopolitism.

Furthermore, cooperation among European and UAE educational and cultural institutions will be promoted. The tour is also launching a structured dialogue between European academics and regional / local universities and cultural professionals in order to develop networking activities, projects, and exchanges both for research and training programmes thanks to the study tour’s partnership with Paris-Sorbonne University Abu Dhabi.

To offer a rich and innovative learning experience before, during, and after the study tour, ENCATC has set up a partnership with the World Leisure Organization. Thanks to this support, participants will gain access to unique learning material such as books, videos, and interviews that will contribute to deepening their experience about this strategically important world region.

The study tour is also made possible thanks to the support and co-funding received from the Creative Europe programme of the European Union. ENCATC is very proud to have this strong partnership and the recognition of the European Union to value the work ENCATC does.

*The visit to the Louvre Abu Dhabi site has been cancelled. Indeed, at this stage of the construction site and the opening of the museum, the interior fittings and the installations in progress make it impossible to visit. The presentation of the museum is however maintained: it will take place at the Sorbonne Abu Dhabi.

Louvre Abu Dhabi, opening in 2017 is a universal museum in the Arab world. Its very name is testament to what is an unprecedented alliance of an intergovernmental agreement between the emirate of Abu Dhabi and France, through one of the highest level of cultural cooperation ever created between two sovereign countries. This unprecedented gesture establishes a long and solid relationship between Musée du Louvre, the greatest museums located in Paris, and Abu Dhabi, which is a dynamic force in the contemporary world. Louvre Abu Dhabi is intended to be a place of discovery, exchange and education. It will also play an important social role in United Arab Emirates. In this respect, it can be seen as a product of the 18th-century Enlightenment in Europe. The museum will present major objects from the fields of archaeology, fine arts and decorative arts. It will also represent all regions, periods, including contemporary art and the narrative of art history. [http://louvreabudhabi.ae/en/Pages/home.aspx](http://louvreabudhabi.ae/en/Pages/home.aspx)

HOTEL SUGGESTIONS IN ABU DHABI & DUBAI

Hotels in Abu Dhabi:

OUR CHOICE!
The ENCATC team chose this hotel in Abu Dhabi: Southern Sun Hotel Abu Dhabi
Check in: 12 Mar - Check out: 16 Mar
For logistic reasons, we encourage you to book here as well!

Sofitel Abu Dhabi Corniche
Thanks to the partnership with the Louvre Museum, participants to the Study Tour can access the preferential rate of Agence France Museums at the Sofitel Abu Dhabi Corniche: AED 735 (185€) + taxes per night, including Breakfast & Internet on single occupancy. Also, they can benefit from a 25% discount on food and beverage. For bookings, send an e-mail to the reservation agent at H7507-RE1@SOFITEL.COM with CC: BADR.ZIZI@SOFITEL.COM and mention in the booking request to apply Agence France Museums rate.

Other hotel options in Abu Dhabi
The best area to look for a hotel is the city centre, around the Corniche. Hotels outside the centre are easily accessible by taxi but have more limited options for restaurant and attractions nearby. For other options we recommend to check www.booking.com. Currently there are several offers for centrally located hotels (Beach Rotana - Abu Dhabi, Mercure Centre Hotel Abu Dhabi, etc.) but availability will end soon!

Hotels in Dubai:

OUR CHOICE!
The ENCATC team chose this hotel in Dubai: Novotel Dubai Al Barsha
Check in: 16 Mar - Check out: 17 Mar
For logistic reasons, we encourage you to book here as well!

Other options in Dubai
The best area to look for a hotel is the Al Barsha area, centrally located and close to the Mall of the Emirates. We encourage you to look on www.booking.com for a solution in this area. Another option is Downtown (Dubai Mall, Burj Khalifa), a very lively area with many restaurants, shops etc. but with intense traffic that might make it more difficult to get around.

ATTENTION! Due to the Art Dubai fair, March 2017 is very high season and availability will end soon! We encourage you to avoid the area around Madinat Jumeirah where Art Dubai is taking place, it will be extremely busy and traffic around very high.

LOCAL TRANSPORTATION IN ABU DHABI & DUBAI

Local transportation in Abu Dhabi:
There are nearly 10,000 taxis in Abu Dhabi and this is the most common form of ‘public’ transport. You can flag down a taxi anywhere so long as it is safe for the driver to stop. Taxis are owned by different companies but all branded with the Trans AD silver colour (starting at 3 Dhs per trip and a trip across town will cost about 30 to 50 Dirhams). Some taxi companies operate limousines from hotels (usually black in colour), which are more expensive and most meters start from 20 Dhs. Beware that if...
you get stuck in a traffic jam the meter on Abu Dhabi taxis will continue to run as there is a charge by distance and time.

**Local transportation in Dubai:**

By far the most convenient and most popular way to get around Dubai is taxi. Taxis are metered, starting with 5 Dhs. Minimum fare is 12 Dhs and it would cost you typically 80-100 Dhs to go from one end of Dubai to the other. Taxis at Dubai International Airport start at 25 Dhs, limousine taxis are more expensive. Taxi fares from Deira to Dubai mall approx AED28, from Deira to Mall of Emirates AED50, from Deira to Wafi Mall AED20.

Formerly a royal palace, the Louvre Museum has embraced the history of France for eight centuries. Intended as a universal museum since its inception in 1793, its collections—among the finest in the world—span several thousands of years and a territory that extends from America to the confines of Asia. Divided among eight departments, these collections feature works admired throughout the globe, including the Mona Lisa, the Winged Victory of Samothrace, and the Venus de Milo. With nearly ten million visitors in 2012, the Louvre is the world’s most visited museum.

In their initiative to design the first universal museum in this region of the world, the United Arab Emirates authorities’ choice of the Louvre stands in great recognition of the museum’s skill in exhibition design and its scientific expertise. By accepting this challenge, the Louvre extends its influence in a rapidly growing area, at the crossroads of Africa and Asia. The building, designed by French architect Jean Nouvel, will span 258,300 square feet (24,000 m²). It will include over 64,000 square feet (6,000 m²) of galleries housing the permanent collections and almost 22,000 square feet (2,000 m²) devoted to temporary exhibitions. Teams from France and the UAE have stepped up their efforts to allow the museum to open on December 2, 2015. It is a huge task. Work is needed to build up the collections, to plan loans of artworks from the French collections, and to create the museum’s managerial framework.
